To whom it may concern

Dear Sir / Madam

Coca Cola Beverages South Africa have partnered with Optimum, to Analyse, Design, Develop and Implement the “Fundamentals of Packaging” program which is designed to upskill employees at all levels in our Manufacturing plants. The program is designed to be facilitated online and has thus far proven to be very successful.

The level of professionalism displayed thus far by Optimum is second to none. They continuously identify ways to improve our program and have thus far come up with innovative and successful solutions that are outstanding. Optimum have facilitators that are extremely knowledgeable and experienced in Packaging and Processing Operations and hence they can easily facilitate the modules of this program.

It is very clear that Optimum have the expertise and infrastructure to ensure successful Virtual Learning programs. The “Fundamentals of Packaging” program is testament to this.

We would recommend Optimum to any Organisation that wants to facilitate large online practical and technical learning and development interventions.

Thank you
